Dear Maeve,

Thank you for doing this draft. I added Parcel G update and a few other things.

Also, Mon will be my last day before leaving for Chicago, so I will be running around. Could you please get to the room a few minutes early and initiate the conf call?

Thanks!

- Lily

Hi John and Lily,

I'm assuming that usual Monday morning meeting is happening. Here are some TPs for Angeles. I'm not aware of many updates, but please add anything you're aware of. Thanks!
